Preface:

This **Journey Series in Values Education** have been conceptualize to a give an exciting first hand experiences as you grow and develop into a full bloom individual.

This book is the results of the author's strong belief that for you to have a strong character foundation in life, you must be deeply rooted and taught with the Word of God as its foundation.

As author hopes that the stories you will hear will be a good starting point for you to grow in wisdom with Him and for you to develop a fervent desire to do what pleases our Creator.
