Preface:

You are a special gift from God. That's why this book is heartily dedicated to all of you. **Journey through Life** will help you learn to become a child with a desirable and right human values. We hope and pray that in the process, you will be able to know yourself better, socialize with other children, live responsibly in our society, and most of all, know God by heart and learn to appreciate love and care for your life and all creations as special gifts from God.
