Preface:

This **Journey through Life (Preparatory)** is an effective guide in learning good manners and right conduct. It is designed to provide the children a potent learning experience inside and outside the classroom.

Journey through Life is made especially for young learners. This book's concepts are easy to understand, the examples are relevant and practical, the activities are enriching, and illustrations are attractive.

Each lesson's theme pertains to integrated values that will not only instill in the learners ideal traits, but also foster good manners, faith, social awareness, and responsibility.
