Preface:

Journey through Writing is especially designed for your age. The content is so chosen and sequenced that each targeted skill is built on early developed and easily learned skills.

This activity book also aims to promote your cognitive skills, communicative skills, psychomotor skills, aesthetic skills, as well as your moral, spiritual, social, and effective behavior through the lessons and activities presented.

We do hope that you, as young learners, will have more meaningful and enjoyable experiences while working on the activities in this book.
