Preface:

A dictionary is the most helpful to people who are equipped with the basic knowledge of a certain language but who have not yet reached an advanced level of competence. The **English-Tagalog Vocabulary** is one such book.

The book contains around 8,000 words. These consists of the most commonly used English words, as compiled by noted of these words have been chosen for their accuracy and simplicity in meaning. In fact, they were lifted from everyday conversations. In the preparation of this book, the authors took into consideration the needs and capabilities of non-Tagalog teachers and students. The result is an easy vocabulary listing with Tagalog equivalents derived from Spanish or English words.

Other useful information have also been added at the last part of the book to aid the students of elementary and secondary schools deal with the demands of the various learning areas. May the book prove handy and beneficial to all who are thirsting for knowledge.
